

To the Customers of TVN Media Sp. z o.o.

Dear Partners,

As promised over two years ago, we have reached another stage of our Sales Policy review. We have finalized half year review of our sales actions' compliance with 2016 Sales Policy. The results have been verified by independent external auditor.

In the first half year of 2016 sales, price conditions that are the basis for advertising campaigns ordered in TVN Media were checked for compliance with our officially published Sales Policy. These terms and conditions are published on our web page, and are based on Clients' declared annual commitments, adjusted for variations in full year expectations as they come to our attention.

In respect to the above, and to the best of our knowledge and belief, we confirm that in the period from 1 January 2016 to 30 June 2016, transactions covered by the Sales Policy, have in all material respects, been recorded in line with the provisions of the Sales Policy applicable to the pricing of such transactions.

Our compliance with the TVN Media Sales Policy has been confirmed by the independent reasonable assurance report issued by Deloitte.
